Subject:—

Abolition of the Government Annachattram at Shimoga.

---

27) The chattram at Shimoga which enjoys an annual tasdik of Rs.672 is one of those in which feeding was ordered to be continued under Government Order No.804-17/Muz.177-14-10 dated the 11th October 1916. As the Chattram building was in a dilapidated condition and no funds were available at its credit for repairs, the Deputy Commissioner proposed in December 1921 that feeding in the chattram might be stopped for a period of three years to accumulate funds for effecting necessary repairs thereto. On enquiry whether feeding could not be stopped altogether, the Deputy Commissioner first reported in February 1922 that it was not expedient to do so, as Shimoga was an important place on the line of communication to Tirthahalli, Udipi and other holy places and sent up an estimate for Rs.1,700/- for the repairs of the chattram. But on his being asked again whether, instead of incurring a large expenditure in advance on the repairs of the chattram in expectation of realising the amount by temporary stoppage of feeding, the chattram could not be abolished altogether in view of the fact that the Courpalaks' chattram as well as the Musafirkhana in the town served the needs of the travellers, the Deputy Commissioner, after consulting the Sub Divisional Officer, reported that the chattram in question served no useful purpose and may be closed and ~~that~~ the building disposed of by auction and the realization credited to the Muzrai Funds.

2. 28) In forwarding the report of the Deputy Commissioner, the Muzrai Commissioner expressed it as his opinion that feeding in the chattram may be stopped altogether and the Tasdik set free utilised for the grant of small allowances to old and infirm people of all classes

in the locality and that the building may be repaired and made available as a halting place for travellers.

3. 29) On the papers coming up before me I noted that the chattram having been intended for travellers it could not be used as a poor house for the support of the infirm and the destitute as proposed by the Muzrai Commissioner and that as the local officers were of opinion that its retention was unnecessary for the use of the travellers, it might be abolished and the building disposed of by auction (the sale proceeds being credited to the General Muzrai Fund) unless it was required for the use of any other Department of Government or by the Municipality or the District Board for being used as a Musafirkhana.

4. 30) The Dewan has agreed with me.

5. 31) A draft order to the above effect has been put up and is herewith submitted for the gracious approval of His Highness.

Sir,

With reference to your letter No.1635/M.F.63-22-17 dated 1st November 1922 forwarding for disposal, among others, the file relating to the stoppage of feeding in the Government Anna chattram at Shimoga, I have the honor to submit herewith for reference and obliging return corresponderce ending with letter C.C.No.277/Rev.21-22 dated 9th ---- August 1923 from the Deputy Commissioner, Shimoga District, recommending that the chattram may be abolished and the building disposed of by auction sale.

2. For reasons detailed in the Sub Division Officers report and agreed to by the Deputy Commissioner, I beg to recommend that free-feeding in the chattram may be abolished with effect from 1st September -- 1923, and the amount set free used for the grant of small allowances to "old and infirm people of either sex, lame and blind persons, and such others as may be disabled by accident, natural deformity, or incurable disease" on the lines of the Langarkhanas attached to the Gumbuz at Seringapatam and the Prince Gulam Mahomed Charity Fund, Mysore.

Order No. 997-8 Ewe one file

Bangalore, 21 Nov. 1924.

Muz.66-23-2

The Chattram at Shimoga is one of those in which feeding was ordered to be continued under the G.O. No.804-17/Muz.177-14-10 dated the 11th October 1916. The Local officers,—the Sub Division Officer as well as the Deputy Commissioner,—consider that its retention is not necessary for the benefit of the travellers. Free feeding in the Chattram may, therefore, be stopped, with effect from the 1st December 1923. As there is sufficient accommodation for travellers in Shimoga, the chattram may be sold in auction and the proceeds credited to the General Muzrai Fund unless it is required for the use of any other Department of Government or the Municipality or the District Board is

is prepared to take it over and use it as a Musafirkhana.

2. As the Muzrai Chattrams are intended for the use of travellers, and the amounts intended for their up-keep cannot be used for the relief of the old and infirm, as proposed by the Muzrai Commissioner, the cash grant of Rs.672 per annum endowed to the Chattram minus the cost of a care-taker on Rs.6 per mensem, will be brought under savings and credited to the General Muzrai Fund and the establishment attached to the chattram, except the care-taker above referred to, disbanded ~~from the 1st December 1923~~. The care-taker will be kept on, pending the disposal of the building. The Muzrai Commissioner is requested to submit a report in respect of the building by the end of ~~December~~ March next.
